

ST. COLUMBAN
SCHOOL

SECOND GRADE CURRICULUM

Celebrating our gifts in and beyond the classroom.

RELIGION

Prepare and celebrate the sacraments of Reconciliation and First Communion. Prayer of the church, prayer journals, and types of prayers and experiences. Knowledge of our faith.

READING

Increasing fluency and improving comprehension – strategies and skills. Exploration of chapter books and instill a love of reading.

MATH

Place value to 1,000. 2 and 3 addition and subtraction. Data collection and graphing.

SOCIAL STUDIES

Types of communities, goods and services, landforms, and continents and oceans.

SCIENCE

Learning all about animals, plants and the solar system. Thinking like a scientist.

HEALTH

Respect for others and belongings. Learning about emotions, feelings and empathy. Fire and personal safety.

TECHNOLOGY

Getting acquainted with computer and keyboarding. Exploring Microsoft Word – typing documents, copy and paste, changing fonts. Internet Safety

BEYOND THE CLASSROOM

We take two field trips to the Cincinnati Nature Center to explore plant and animal habitats and the Native American presentation to learn about folklore and artifacts. We prepare for Reconciliation and First Communion and celebrate Jesus Day. Together with our fifth grade buddies, we serve the community with kindness bags for the homeless and do a toy drive for families in Appalachia.
